

Is giving each school that participates in Autism month (APRIL) a FREE pack donated by us and put together by Sue Larkey specifically designed to be targeted towards the appropriate age group - (Pre School, Primary, High School) The packs will contain one of Sue's amazing books & some sensory items.

APRIL 2 IS AUTISM AWARENESS DAY

APRIL IS AUTISM AWARENESS MONTH

PLEASE JOIN US IN OUR CAMPAIGN

CREATE AWARENESS AND ACCEPTANCE OF THOSE ON THE SPECTRUM WITHIN OUR COMMUNITY.

Suggested activities wearing coloured clothes on the 2nd of April or another day chosen by your school in April to represent the Autism Spectrum/rainbow, running some social/communication activities, watching a DVD about Autism such as WHAT ARE YOU DOING? Having a discussion in class about Autism or differences and using age appropriate books to reference especially in younger years a really good book for infants is MY FRIEND WITH AUTISM.

Please go onto our website www.griffithautism.org.au to view our library resource list which includes over 100 books and DVD's for you to borrow.

I would also like your feedback please let us know your school's needs in supporting ASD children?

I was born a little different but that
doesn't make me any less than you.
If you get to know me I can color
your world. For one moment let go
and get to see who I really am and
how I experience the world a little
differently from you.
