

A free fully interactive half day workshop
aimed at introducing participants to autism
and communication.

Our Presenters

Cahli Wall

Cahli is a special educator who has worked with children under 8 years and their families and educators. Cahli has a Bachelor of Teaching Birth to 5 Years and a Masters of Inclusive Education in Autism

Julie O'Shea

Julie is a speech pathologist working in Wagga Wagga specialising in working with children under 8 years old. Julie has worked in many areas of Early Intervention including remote services within the Northern Territory.

Who Should Attend: Families, Carers, Early Childhood Educators, School, Infant Class School Teachers and Health Professionals

There are two sessions for this workshop.

Session 1 goes from 1pm – 4pm and Session 2 goes from 6:00 – 8:30pm. The club has dining facilities and tea and coffee facilities available for you to purchase before and after the sessions.

This introductory workshop provides information on Autism Spectrum Disorder and the identifying characteristics of it. This workshop provides an introduction to ASD and how it presents in children.

The workshop will also focus on understanding and supporting the communication needs of children on the Autism Spectrum.

Workshop 1 and workshop 2 are the same workshops. They both include the above topics.

When: Wednesday 28th October 2015
