

Interactive Workshop for

Teachers, Parents, Families and others interested in Autism Spectrum Disorder, Asperger's Syndrome, Autism

Strategies for Sharing the ASD Diagnosis with others and Transitions to School and High School

Do you want to know more about....?

- ✓ Helping the family understand the child's diagnosis
- ✓ Explaining the diagnosis to peers in the classroom
- ✓ How to explain ASD to parents, family, and friends
- ✓ Supporting siblings after the diagnosis
- ✓ How grandparents can provide support
- ✓ How partners can support each other

Do you want to know more about...?

- ✓ How to make successful transitions to:
 - School or high School
- ✓ Setting the student **and** school up for success
- ✓ Using planning tools successfully
- ✓ Recognising and measuring successful transitions
- ✓ The roles of family, teacher, principal and school in a transition program
- ✓ The importance of reciprocal communication

Professional development standards (3 hours)
Standard 1, Standard 2, Standard 3

Then this is the workshop for you. It will be full of practical examples and strategies that can be used in and around your home as well as when you are out and about. It will leave you with a **better understanding of behaviour and how it is related to your students' needs**

Consultant, author and speaker... Anna Tullemans

Anna Tullemans is a consultant and author in Autism Spectrum Disorders and has been working closely with schools, teachers and parents, writing and implementing programmes for students with ASD. She is the author of [ten books](#) on strategies for teachers, parents and students.

Anna conducts teacher training workshops and regularly presents throughout Australia and a variety of international locations including England, Hong Kong, Emirates, New Zealand, Dubai, Hawaii and Brunei. She presents conferences and seminars on everyday inclusion and behaviour strategies that are successful. Her experiences from both sides of education organisations have fuelled her passion for sharing and communicating information and strategies on Autism Spectrum Disorder, to teachers and parents throughout all education systems.
